

SENSE COMMITMENT to WORKPLACE SAFETY AND HEALTH

Mendaki SENSE Pte Ltd (SENSE), as an employer will provide a safe working environment for all its employees and take all reasonable, practicable steps to ensure the safety, health and welfare of all persons, including visitors.

SENSE will ensure that all premises under its control are safe and without risk to health. We strive towards accident-free work environment through continuous improvement of processes.

SENSE is desirous to :

- comply with the requirements of the Workplace Health and Safety Act 2006.
- institute general risk assessment procedures in order to identify all relevant hazards and prioritise them for remedial action.
- ensure that sufficient information, instruction, training and supervision are given to employees to enable them to avoid hazards and to contribute positively to their own health and safety at work.
- actively support joint consultation between management and employees on matters concerning health and safety at work.
- continually improve the effectiveness of the Workplace Health and Safety Management System.

MENDAKI SENSE Pte Ltd shall always strive to achieve the following safety & health objectives:

1. Achieve "zero" legal non-compliances annually
2. Achieve "zero" workplace safety and ill-health incidents annually
3. Conduct quarterly briefing/communication on WSH regulations for staff annually

MENDAKI SENSE Pte Ltd strongly believes that maintaining a safe and healthy working environment is everyone's responsibility. To demonstrate this commitment, SENSE attained

 certification on 14 September 2016.
